At Camping Bar, we have taken mini golf to the next level and created a venue where great drinks, fun experiences, and a vibrant atmosphere go hand in hand. This is where guests come to relax and have fun – and where you, as a Bartender or Kitchen Assistant, help create the great atmosphere.

About Camping Bar

Camping Bar is one of Copenhagen's most unique and entertaining bar concepts. Here, guests come together for mini golf, great drinks, and an atmosphere that is always buzzing. We combine games, karaoke, and nightlife in an environment where people come to relax, socialize, and have fun – whether it is date night, team building, an evening with friends, or a spontaneous night out. There is always something happening here, and as a member of our team, you will play an important role in creating the energy that makes Camping Bar a place guests remember.

Your Role as a Bartender

As a Bartender at Camping Bar, you help ensure a seamless and memorable guest journey from start to finish. You welcome guests, assist with mini golf check-ins, explain the game, and set the tone for their experience. Behind the bar, you mix cocktails and serve beverages, and during group bookings, you assist with food service and provide great hospitality. In short: you create flow, atmosphere, and great experiences throughout every guest's visit. **Your**
